Sell your aeromodelling equipment through the Newsletter

Do you want to sell that no longer wanted, but well-loved aeromodelling equipment, then why don't you give your fellow ANSW members first shot at it.

Before placing your add in the well known Internet sites, your welcome to place your add in the ANSW Newsletter. And it's free.

What do you need: A few photos, a few words, contact details and of course price + freight/pickup/etc.

Fit it onto one page, so the more words the less pictures and obviously the more pictures the less words.

Unfortunately, the ANSW Constitution only permits the ANSW Newsletter to directly advertise for members, so no businesses, wholesalers or retailers please.

However, if you have an event sponsored by a business, wholesaler, retailer, etc, then you can include their name on you poster and in your event report and these can be included in the Newsletter, and the poster can be included on the website.
